THE SERGEANTS

The archives of the Commonwealth of Massachusetts contain an entry dated March 13, 1638, indicating that Governor Winthrop granted a charter to the Military Company of Massachusetts. The records of the "Company" reveal that on the first Monday in June, 1638, Robert Keayne was elected the first commander and John Oliver and Joshua Hughes elected Sergeants.

Richard Morris, a charter member of the company, served as Sergeant in 1637 and Thomas Savage, another charter member, is noted as serving as the Company's first Orderly Sergeant. Thus began the traditions of Sergeant's service to the Company that has survived to modern times with little change.

Today, candidates for Sergeant of the Ancient and Honorable Artillery Company of Massachusetts usually begin planning a year or two in advance and join forces with other Ancients to prepare a campaign for election to the office for the year of their choice. Each candidate must declare his intention to seek the position of Sergeant of Infantry or Sergeant of Artillery. Nominations are held on the first Monday in May. Elections are held at the Second Regular Meeting in May and along with other commissioned officers, six Sergeants of Infantry and six of Artillery are elected.

The seniority of the Sergeants is determined by popular vote with the First Sergeant of Infantry being the "Chairman" for the group. At the ceremonial Drumhead Election on June Day, on Boston Common, The new Sergeants assume their responsibilities as they receive their Espontoons and march off the Common to host their first hospitality event prior to the June Day Banquet.

The ensuing twelve months are filled with great activity; meetings of financial matters, social functions, parades, the Fall Field Day Tour of Duty, funeral details and the Year Book.

During the course of the year, relationships between the Sergeants establish bonds as close as brothers, which last the rest of their lives.

Note:
Being a Sergeant in the Ancient and Honorable Artillery perhaps was best described by LTC Jack Drummey: "Most men wouldn't take the job again for a million dollars . . . or trade the experience for two million."

Dear Fellow Ancients,

I have truly enjoyed serving you as your Second Sergeant of Infantry as a member of the Sergeants 95-96.

I especially enjoyed serving as the Chairman of the Toys for Tots event and our annual Christmas Party. I hope you enjoyed this memorable event and I want to thank all Ancients for their support for this great night--it was a record turnout.

The U.S. Marine Corps, as usual, gave us full support and they were all excited over the generous response the Ancients provided.

Again, it has been a memorable year for me--one I will not soon forget--and enjoyed working with all my fellow Ancients.

My Fellow Ancients,

As a longtime Ancient, I had always heard that "you have never been an Ancient until you have been a Sergeant."

I truly believe in that statement after serving as Third Sergeant of Infantry in 1995-1996. What a rewarding experience! I especially enjoyed helping my fellow Sergeants put together special events that were enjoyed by many, many fellow Ancients.

I want to personally thank all my fellow Ancients for their tremendous support in making my year as Sergeant a memorable one.

Dear Fellow Ancients,

It has been my pleasure to serve you this year as your First Sergeant of Artillery. It has been especially rewarding to serve under my father, Captain Roy S. Chase, Sr.

It has been a terrific year that started out very busy for me, personally, as Chairman of June Day 1996. It was the objective of the Sergeants 95-96 to put on the best June Day ever, and we kicked off our year with some great events.

Many of you told me personally it was the best June Day events you ever attended--I am grateful for your appreciation and kindness.

I want to thank all the Ancients for your loyal support and I hope you had a great year with our group of Sergeants.

James Monroe
The 5th President

4 March 1817 to 4 March 1825

He was a Virginian and succeeded Madison. He was the fourth President from Virginia. He had been Secretary of State and of War under Madison. His administration is known as the "era of good feelings." There was no political strife. Upon re-election Monroe received all but one of the electoral votes cast. The dissenting vote was cast by an elector from New Hampshire who declared that only Washington should have the honor of a unanimous election.

James Monroe was born in Westmoreland County, Virginia, on 28 April 1758. In 1776 he enlisted in the Continental Army where he served with distinction. After the War he studied law and served in the Virginia Legislature; and, in 1790 he was elected to the United States Senate. He represented the United States in France, Spain and England. He negotiated the Louisiana Purchase. He was twice Governor of Virginia. Monroe married Elizabeth Kortwright of New York in 1786 and had two daughters.

During the Monroe administration Florida wa purchased from Spain. Agitation over the admission of Missouri as a slave state resulted in the Missouri Compromise of 1820. His name has become inseparable associated with the famous political doctrine which denies to European nations the right to interfere with the existing governments in North and South America, or to colonize any part of the Americas. Known as the Monroe Doctrine, it was first expressed in his annual message of 1823 and has tremendously influenced our attitude toward South American countries and our whole foreign policy right up to the present time.

When President Monroe visited Boston in 1817, he was received with great enthusiasm and was provided with a military escort. It was on this visit that President Monroe was enrolled a member of the A&HAC on 30 June 1817 and was then elected an Honorary Member, the highest distinction which the Company can bestow.

James Monroe retired to Virginia when he left the White House. Later he went to visit with a daughter in New York, where he died on 4 July 1831. He was the third President to die on the nation's birthday. Burial in 1831 was in New York but in 1858 his remains were removed with great pomp to Richmond, Virginia, and re-interred 5 July in the Hollywood Cemetery.

Second Presidential Member of A.H.A.C.

Member of the Ancient & Honorable Artillery Company

Chester Alan Arthur

The 21st President

20 September 1881 to 4 March 1885

An assassin's bullet ended the term of President Garfield and Vice President Chester Alan Arthur moved into the office of President on 20 September 1881. When he retired in 1885 he had won respect for his administration.

Chester Alan Arthur was born in Fairfield, Vermont, on 5 October 1830, the son of a Baptist minister. He graduated from Union College, taught school, and studied law. In 1854 he was admitted to the bar and began to practice in New York City. He married Ellen Lewis Herndon in 1859. He became prominent because of his success in two suits involving negroes. One was the "Lemmon Case" in which he secured a decision that a slave brought into New York in transit between two slaves states was free while in New York; the other decision was that negroes were entitled to the same privileges as white people on the street railways of New York City. During the Civil War Arthur served as quartermaster general of the state troops. He was appointed Collector of Customs for the Port of New York in 1871.

He proved to be a capable Chief Executive and reversed his previous policy toward the Civil Service by signing the Pendleton Law for its reform in 1883. During his term of office the Tariff Act of 1883 was passed; the Southern Pacific, the Northern Pacific, and the Atchison, Topeka and Santa Fe railroads were completed; a treaty with Nicaragua was negotiated to permit us to construct a canal, railway and telegraph line across that country; a reciprocal trade treaty with Mexico was signed; and the Washington Monument was completed and on Saturday, 21 February 1885 it was dedicated. On the occasion of this dedication, in General Philip H. Sheridan's Order, the Ancient and Honorable Artillery Company was assigned as Honorary Escort to the President of the United States. The President tendered the entire Company a reception at the White House.

In 1882, the Fall Field Day Tour of Duty was celebrated in Marshfield on account of the centennial celebration of the birthday of Daniel Webster. The Company had been invited to do escort duty to the President of the United States. It was on the occasion of this pleasant duty that President Arthur was enrolled a member of the A&HAC on 12 October 1882, and was then elected an Honorary Member, the highest distinction which the Company can bestow.

When his term expired, President Arthur retired to New York, where he lived less than two years, dying on 18 November 1886. Burial was in Rural Cemetery, Albany, New York.

Third Presidential Member of A.H.A.C

Member of the Ancient & Honorable Artillery Company

Calvin Coolidge

The 30th President

3 August 1923 to 4 March 1929

Vice President Calvin Coolidge moved into the office of President just before dawn on 3 August 1923, three hours after the news of President Harding's death reached him at Plymouth, Vermont, where he was visiting his father. The oath of office was administered there by his father, a justice of the peace and country storekeeper.

A farmhouse in Plymouth, Vermont, was the birthplace of Calvin Coolidge on 4 July 1872 and his boyhood and youth were spent there. He graduated from Amherst College, studied law and began to practice in Northampton, Massachusetts. In 1905 he married Grace Anna Goodhue of Burlington, Vermont.

In Northampton he entered local politics and later served in the Massachusetts House of Representatives and Senate. He became President of the Senate; was elected Lieutenant Governor and was Governor in 1919 and again in 1920. In every official post he held, economy and efficiency were the ideals to which he adhered. Governor Coolidge attained national prominence with his handling of the Boston Police Strike in 1919, and in 1920 at the Republican national convention he was nominated for the vice presidency of the United States.

When Calvin Coolidge took over the post vacated by President Harding's death, he continued to function in the calm, judicial way in which he had filled all previous offices. Economy was his watchword and he carried out his principle, worked for tax reduction and the retirement of national indebtedness.

President Coolidge was nominated by the Republicans for a second term in 1924. His administration was an era of prosperity in the United States and he was considered for a third term. However, on 2 August 1927 President Coolidge announced, "I do not choose to run for President in 1928." His decision was firm.

As Governor of Massachusetts, Calvin Coolidge had been the Commander-in-Chief of the A&HAC. During his administration he won the high regard and admiration of all thoughtful men and women. He stood firmly for the principles our Company had advocated during its existence. For these reasons, President Coolidge was enrolled as a member of A&HAC on 5 May 1924 and was then elected an Honorary Member.

In 1929 President Coolidge retired to his home in Northampton, Massachusetts, where he died on 3 January 1933. Burial was in Hillside Cemetery, Plymouth, Vermont.

Fourth Presidential Member of A.H.A.C.

Member of the Ancient & Honorable Artillery Company

John F. Kennedy

The 35th President

20 January 1961 to 22 November 1963

John F. Kennedy, at 43, was the youngest man ever elected President and was the first Roman Catholic to hold the office. He was born in Brookline, Massachusetts, on 29 May 1917, the second son in the large family of Joseph P. Kennedy and Rose Fitzgerald Kennedy, the daughter of a former Boston Mayor. He was graduated from Harvard in 1940. His senior thesis was published in the same year under the title, Why England Slept.

In World War II, Lieutenant Kennedy commanded a PT boat in the Pacific and for gallantry in action he received the Navy and Marine Corps Medal. He was elected to Congress in 1946 and to the United States Senate in 1952. He was re-elected to the Senate in 1958. He was married in 1953 to Jacqueline Lee Bouvier of New York. In 1955 he wrote his Pulitzer Prize-winning best seller, Profiles in Courage.

He began his Administration by calling for a "New Frontier" and asked for immediate action on many social and economic problems. The New Frontier brought youth and excitement, tone and style to the White House and Kennedy's warm, vigorous public image was as well known abroad as here at home.

President Kennedy established the Peace Corps and in Southeast Asia he negotiated a truce in Laos and increased American aid to fight the Vietnamese Communists.

During his term, the East Germans aggravated the Berlin situation by constructing a wall across the city in August 1961 to halt the flow of refugees to the West. In 1962 aerial reconnaissance showed missiles and warplanes in Cuba capable of attacking much of the U.S. and South America. Kennedy ordered a naval blockade of the island to prevent further arms shipments.

On 22 November 1963 President Kennedy was shot twice as his motorcade paraded through the streets of Dallas, Texas. The President died within an hour. The accused assassin, Lee Harvey Oswald, was captured the same day, but was himself shot and killed before he could be brought to trial.

John F. Kennedy was enrolled a member of the A&HAC on 16 April 1956 and was elected an Honorary Member on 3 April 1961. On the occasion of his Inaugural as President on 20 January 1961, seventy-five officers and members proudly participated in the Inaugural Parade in Washington, D.C.

First A.H.A.C.
Congressional Medal of Honor Recipient
George H. Maynard

Private George Henry Maynard
Battle of Fredericksburg, Virginia
13 December 1862

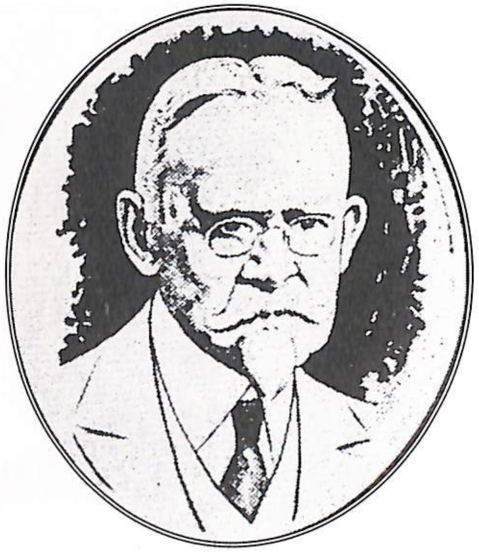
"A wounded and helpless comrade, having been left on the skirmish line, this soldier voluntarily returned to the front line under a severe fire and carried the wounded man to a place of safety."

George Henry Maynard, born in Waltham, Massachusetts, 2 February 1836, enlisted as a private in the 13th Massachusetts Infantry and was assigned to Company D. He distinguished himself at the Battle of Antietam, when on 17 September 1862, while under fire, he carried two wounded comrades from the firing line to a rear area and then returned to the firing line.

In January 1864, he was commissioned as a Captain in the 82nd Regiment of U.S. Colored Infantry. He was promoted to Brevet Major on 13 March 1865, for distinguished and meritorious service, and was mustered out on 10 September of the following year.

Major Maynard served the A&HAC as 1st Sergeant of Infantry in 1879 and then as 4th Sergeant in 1887. He died in Waltham, Massachusetts, 26 December 1927, at the age of 91 years.

Second A.H.A.C.
Congressional Medal of Honor Recipient
Lowell Mason Maxham



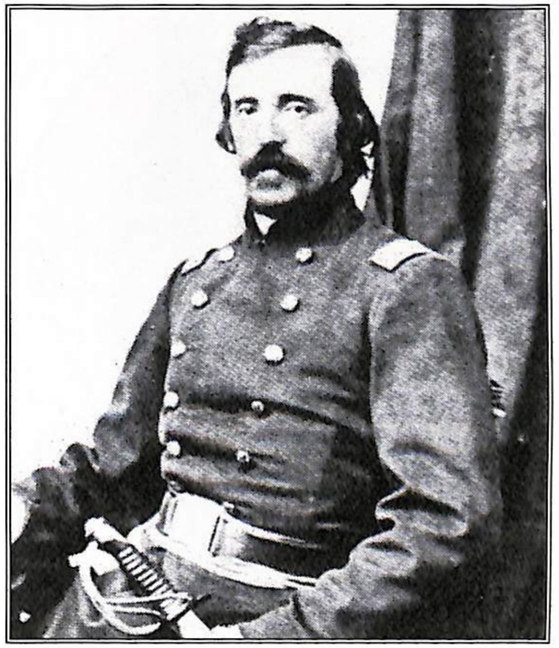
Corporal Lowell Mason Maxham
Battle of Marye's Heights, Virginia
3 May 1863

This soldier, though severely wounded and in the face of a deadly fire from the enemy at close range, hearing a call to retreat, rallied the colors, rushed bravely forward, and was the first to enter the enemy's works on the crest of Marye's Heights, Virginia, and helped plant his regimental colors there."

Lowell Mason Maxham, born in South Carver, Massachusetts, 6 December 1841, was assigned as a Private in Company F of the 7th Massachusetts Infantry. As a Corporal he fought through the Peninsular Campaign of 1862- at Antietam and Fredericksburg- and then the Chancelorsville Campaign the next year, including the Battle of Marye's Heights. Immediately after this victory, lines were reformed. Maxham was called before his regiment and promoted to Color Sergeant. Not realizing how badly Maxham was wounded, the commander placed the colors in his charge. Maxham took the flag into the second battle of the day at Salem Heights where he was again wounded and carried from the battlefield disabled for life. He was discharged from the service by reason of wounds on 18 August 1863.

Corporal Maxham served the A&HAC as 3rd Sergeant of Infantry in 1891. He died in Boston Massachusetts, 13 February 1931, at the age of 89 years.

Third A.H.A.C.
Congressional Medal Of Honor Recipient
Francis Snow Hasseltine



Colonel Francis Snow Hasseltine
Matagorda Bay, Texas,
29 and 30 December 1863

"In command of a detachment of 100 men, he conducted a reconnaissance for two days, baffling and beating back an attacking force of more than 1,000 Confederates, and regained his transport without loss."

Francis Snow Hasseltine, born in Bangor, Maine, 10 December 1833, was a member of the 13th Maine Infantry. He was a lawyer by profession. In Volume 1 of Civil War Papers published by the Loyal Legion in 1893, an article appears written by Colonel Hasseltine entitled, "Amusing The Enemy." He vividly described the action at Matagorda Bay but modestly omitted the fact that he was awarded the nation's highest military decoration.

Colonel Hasseltine served as a member of the A&HAC for many years before his death in Newtonville, Massachusetts, 17 February 1916, at the age of 83 years.

Fourth A.H.A.C.
Congressional Medal of Honor Recipient Gardner Chandler Hawkins

Firsts Lieutenant Gardner Chandler Hawkins
The Battle of Petersburg, Virginia
2 April 1865

"When the lines were wavering from the well directed fire of the enemy, this officer, acting Adjutant of the regiment, sprang forward, and with encouraging works cheered the soldiers on, and although desperately wounded, refused to leave the field until the enemy's works were taken."

Gardner Chandler Hawkins, born in Pomfret, Vermont, in 1846, joined Company E 3rd Vermont Infantry and rose to the rank of First Lieutenant. His battle citations were numerous. He won the Medal of Honor during the last desperate days of the War. The wound he received resulted in the loss of an eye.

In 1894, he earned the rank of Colonel by serving on the Military Staff of His Excellency Frederic T. Greenhalge, Governor of the Commonwealth of Massachusetts and Commander-in-Chief of the Ancient and Honorable Artillery of Massachusetts.

Colonel Hawkins served as a member of the A&HAC for many years before his death in Winthrop, Massachusetts, 13 December 1913, at the age of 67 years.

Fifth A.H.A.C.
Congressional Medal of Honor Recipient George Levick Street, III

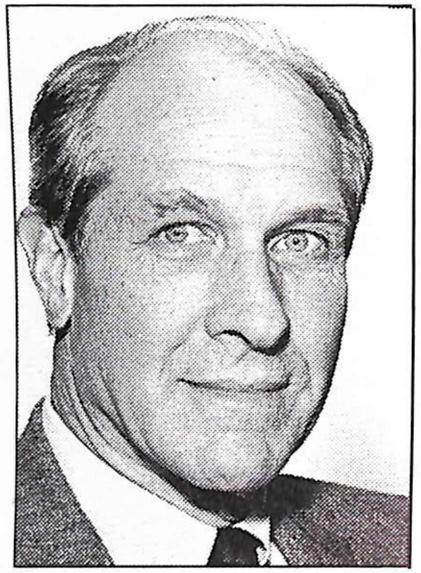
LT. Commander George Levick Street; III
Harbor of Qualpart Island, off Korea
14 April 1945

"For conspicuous gallantry and intrepidity at the risk of his life above and beyond the call of duty as Commanding Officer of the U.S.S. TIRANTE during the First War Patrol of that vessel against enemy Japanese surface forces in the Harbor of Qualpart Island, off the Coast of Korea, on April 14, 1945. With the crew at surface battle stations, Commander (then Lieutenant Commander) Street approached the hostile anchorage from the south within 1200 yards of the coast to complete a reconnoitering circuit of the island. Leaving the ten-fathom curve far behind, he penetrated the mined and shoal-obstructed waters of the restricted harbor despite numerous patrolling vessels and in defiance of five shore-based radar stations and menacing aircraft. Prepared to fight it out on the surface if attacked, Commander Street went into action, sending two torpedoes with deadly accuracy into a large Japanese ammunition ship and exploding the target in a mountainous and blinding glare of white flame. With the TIRANTE instantly spotted by the enemy as she stood out plainly in the flare of light, he ordered the Torpedo Data Computer set up while retiring and fired his last two torpedoes to disintegrate in quick succession the leading frigate and a similar flanking vessel. Clearing the gutted harbor at emergency full speed ahead, he slipped undetected along the shoreline, diving deep as a pursuing patrol dropped a pattern of depth charges at the point of submergence. His illustrious record of combat achievement during the First War Patrol of the TIRANTE characterizes Commander Street as a daring and skilled leader and reflects the highest credit upon his valiant command and the United States Naval Service."

George Levick Street, III born in Richmond, Virginia 27 July 1913 graduated from the Naval Academy in 1937 and was commissioned an Ensign in June of that year. Besides the Congressional Medal Of Honor, he is the holder of the Navy Cross, Two Silver Stars, Presidential Unit Citation, and the Submarine Combat Insignia, all awarded for a series of submarine patrols against the Japanese commencing in early 1942.

Captain Street was enrolled as a member of the A&HAC, 27 September 1982. He thus became the fifth member to have received the nation's highest military honor.

Sixth A.H.A.C.
Congressional Medal of Honor Recipient
Thomas Jerome Hudner, Jr.



Captain Thomas Jerome Hudner, Jr.
Chosen Reservoir Area of Korea
4 December 1950

"For conspicuous gallantry and intrepidity at the risk of his life above and beyond the call of duty as a pilot in Fighter Squadron 32, while attempting to rescue a squadron mate whose plane struck by antiaircraft fire and trailing smoke, was forced down behind enemy lines. Quickly maneuvering to circle the downed pilot and protect him from enemy troops infesting the area, Lt. (jg.) Hudner risked his life to save the injured flier who was trapped alive in the burning wreckage. Fully aware of the extreme danger in landing on the rough mountainous terrain, and the scant hope of escape or survival in subzero temperature, he put his plane down skillfully in a deliberate wheels-up landing in the presence of enemy troops. With his bare hands, he packed the fuselage with snow to keep the flames away from the pilot and struggled to pull him to his crashed aircraft and radioed other airborne planes, requesting that a helicopter be dispatched with an axe and fire extinguisher. He then remained on the spot despite the continuing danger from enemy action and, with the assistance of the rescue pilot, renewed a desperate but unavailing battle against time, cold, and flames. Lt. (jg.) Hudner's exceptionally valiant action and selfless devotion to a shipmate sustain and enhance the highest traditions of the U.S. Naval Service."

Captain Hudner was enrolled as a member of the A&HAC, on 17 April 1990. He thus became the sixth member to have received the nation's highest military honor.

Seventh A.H.A.C.
Congressional Medal of Honor Recipient
Charles A. MacGillivary

Sergeant Charles A. MacGillivary
Woelfling, France
1 January 1945

"Sergeant MacGillivary led a squad near Woelfling, France on 1 January 1945 when his unit moved forward in darkness to meet the threat of a breakthrough by elements of the 17th German Panzer Grenadier Division. Assigned to protect the left flank, he discovered hostile troops digging in. As he reported this information, several German machine guns opened fire, stopping the American advance. Knowing the position of the enemy, Sergeant MacGillivary volunteered to knock out one of the guns while another company closed in from the right to assault the remaining strong points. He circled to the left through woods and snow, carefully worked his way to the emplacement and shot the two camouflaged gunners at a range of three feet, as other enemy forces withdrew. Early in the afternoon of the same day, Sergeant MacGillivary was dispatched on reconnaissance and found that Company I was being opposed by about six machine guns reinforcing a company of fanatically fighting Germans. His unit began an attack but was pinned down by furious automatic and small arms fire. With a clear idea of where the enemy guns were placed, he voluntarily embarked on a lone combat patrol. Skillfully taking advantage of all available cover, he stalked the enemy, reached a hostile machine gun and blasted its crew with a grenade. He picked up a sub-machine gun from the battlefield and pressed on to within ten yards of another machine gun, where the enemy crew discovered him and feverishly tried to swing their weapon into line to cut him down. He charged ahead, jumped into the midst of the Germans and killed them with several bursts. Without hesitation, he moved on to still another machine gun, creeping, crawling and rushing from tree to tree, until close enough to toss a grenade into the emplacement and close with its defenders. His dispatched this crew also, but was himself seriously wounded. Through his indomitable fighting spirit, great initiative and utter disregard for personal safety in the face of powerful enemy resistance, Sergeant MacGillivary destroyed four hostile machine guns,and immeasurable helped his company to continue on its mission with minimum casualties."

Sergeant Charles A. MacGillivary was enrolled as a member of the A&HAC on 6 April 1992. He thus became the seventh member to have received the nation's highest military honor.

Captain Commanding Robert Keayne

Robert Keayne was born in Windsor, England, 1595. His father John Keayne, was a butcher, but Robert's interest moved him toward a career in merchant tailoring. He moved to London and served his apprenticeship until admitted to membership of the Merchant Tailor Corporation of 1615. He joined the Honourable Artillery Company of London in 1623. He emigrated to Boston, via the ship "Defence", in 1635, at which time he was 40 years of age.

He established his home and his workrooms at the southeast corner of today's State and Washington Street and began to prosper far beyond the average of his fellow colonist. In consequence, he engendered the spiteful resentment of the ruling clergy in the town, a thoroughly common experience at time. Such was the tyranny of the churches in Boston and in the environs that hundreds of spirited settlers fled to establish homesteads and farms in remote parts of New England. There might well be hostile Indians and dangerous animals as well, but these considerations were enormously outweighed by the fact that the harsh and dictatorial "Seven Ministers" were not out there in the wilderness.

As Robert Keayne's worldly estate grew, so did the Ministerial envy, finally culminating in an investigation by the General Court. First, it was felt that, inasmuch as "he was a professor of religion" he should not strive to make money. Secondly, inasmuch as "he was a man eminent ability" he should not strive to make money. Thirdly, inasmuch as "he was already wealthy and had but one childe" he should not strive to make money. Fourthly, inasmuch as"he came over for conscience' sake" he should not strive to make money. Fifthly, inasmuch as "he had already been warned by church-elders against money making and promised with tears no to do so" he should earnestly lock his till against the shillings. Wherefore, since he still grew richer, he should be fined 200 Pounds, an enormous penalty for the times. He actually paid fines of 80 Pounds.

The church summoned the culprit and after lengthy debate finally decided to merely admonish Captain Keayne. Keayne was a most popular man in Boston and had been lavishly generous with his wealth, giving money to young Harvard College, to Boston Public School, toward a public market and a "granere", toward a Towne House, toward waterworks, to the Church, to the ministers, to refresh the elderly, to aid his military Company, toward a library, to his servants and workmen, the list grows tedious. His was undoubtedly Boston's greatest philanthropist in his time. Many tales are told of his shrewd business acumen. His lengthy (53 pager, 51,000 words) Will made further donations to many of his earlier beneficiaries and in addition, the land for the Towne House plus 300 Pounds towards his construction. His will also specified that a room should be set aside, in the Towne House, to shelter the Ancient and Honorable Artillery Company, and, moreover, contained wise, far-seeing counsel to the Company and its posterity.

Captain Keayne died in 1655 and is buried in King's Chapel Burying Ground.

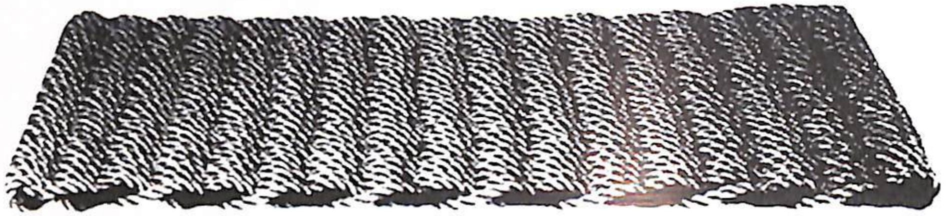
Doormats of Distinction®



• Durable • Mildew Proof • Insect Resistant • Reversible
• Floats • Washable • Colorfast • Resistant to Salt Water

Our outdoor mat will withstand the heaviest traffic, trap more dirt, mud, snow, or sand before anyone walks through your door.

This unique mat which is handcrafted in the U.S.A., is made from Polypropylene rope that features thousands of fibers which remove dirt or sand particles from shoes or boots and yet cleans easily. Just shake or hose it clean with water.

Our mat is mildew and insect resistant. Unlike natural fibers, it will not retain water or harbor insects. Unlike other mats our mat is reversible. After many years of use on one side, just turn it over and it will continue to do the job it was designed to do.

Because the material is both durable and highly resistant to salt water, it makes an excellent boat or pool mat. This mat even floats. You won't find a better quality mat available in decorator colorfast colors. To be used only on non-skid surfaces.

"Thank you Sergeants for a truly outstanding year. You have been instrumental in making my year as Captain a truly memorable event in my life. Samuel Johnson once said that 'gratitude is a fruit of great cultivation'. The Sergeant's duties are burdensome and demanding. I was proud of your dedication and effort throughout this past year not only because it reflected well on me as Captain but because it served the interests of the Company as a whole. The success of every administration in the Ancient and Honorable Artillery Company depends in part upon the elected Sergeants who serve that year. I thank you again for your participation in making my administration such a enjoyable and successful year"

INDEPENDENT ACCOUNTANTS REPORT
359th AHAC FALL FIELD DAY TOUR OF DUTY 1996
100th ANNIVERSARY LONDON, PARIS AND IRELAND

I have personally made several diplomatic audit inspection trips to the 359th FFDTD locations, My strategic procedures were and are top secret, but tactically conducted under world-wide principles and procedures of life, liberty and the pursuit of happiness, of which honor and duty were always foremost in mind and spirit.

In my opinion, for the good of the company, the AHAC 359th FFDTD is soundly and strategically invested with international assets worthy of a 100th anniversary celebration designed to yield a maximum world-wide, non-taxable satisfaction income to members participating in a most challenging and rewarding quasi-military and diplomatic mission.

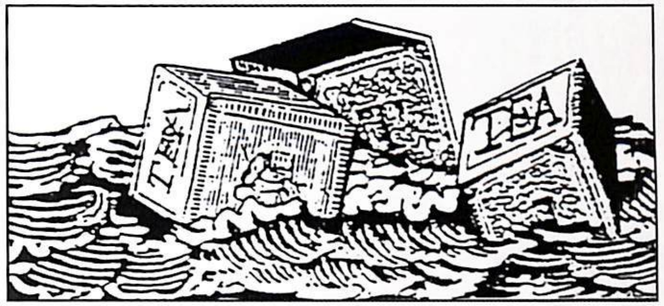
We're Not The First To Start A Party Over Taxes



It's the "T" word—taxes—and in 1773 some folks
from the area had enough. So they threw a party,
and, a whole lot of tea into Boston Harbor.
For over 70 years DiPesa & Company, CPA's has
handled taxes quite effectively, too. Our work is
known throughout the region and we give clients
good reason to celebrate.
Let us plan a "T" party just for you.

"YOU'RE NOT AN ANCIENT UNTIL YOU'VE . . ."

by Lt. Col. Jack Drummey, First Sergeant 1972-1973
Former Chairman, Military Museum and
Library and Membership Committees
Past President, Ten of Us Club.

The well-known phrase, "You're not an Ancient until you've been a Sergeant" is, of course, an exaggeration; but, as with many hyperboles, in it there rings some truth.

SERGEANTS
1995-1996

The Sergeants ARE the backbone of the Ancient & Honorable Artillery Co. of Massachusetts. They are "on duty" during most of their twelve months . . . more so than most members realize.

Since the chartering of the Company we have had Sergeants holding office. Six Infantry and six Artillery elected by the membership.

In March of each year the call goes out for those who wish to submit their names for this coveted office. Any member is eligible to run who has been in the Company two or more years. Realistically, there should be a thorough briefing of the candidates to strongly impress upon them the rigors and responsibilities of this position. It is no place for a man who just wants to be recognized.

The Sergeants are elected in May along with other Officers and assume their first assignment on June Day. Last in the Parade leaving Faneuil Hall, they take their Espontoons on the Common and lead their units to the hotel. Prior to the June Day Banquet they provide hospitality and entertainment and have "open house" afterwards.

Meeting as a body, they elect their own officers. The First Sergeant of Infantry is the "First Sergeant" and is customarily President. The First Sergeant of Artillery is usually elected Vice President. A Secretary may or may not be elected, but a very key position is Treasurer. He runs the "books." The Sergeants traditionally make a financial contribution to provide an initial operating budget.

The Sergeants have a definite social calendar which includes a Summer Outing, a Bon Voyage Party prior to the Fall Field Tour, a Christmas Party, a Winter Party, and a Farewell Party in May, where they make a gift to the members and guests attending.

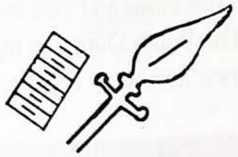
In addition, the Sergeants run at least two parties during the Fall Field Tour, including giving commemorative gifts.

At parade functions, such as the Fourth of July, the review of the Mass. Military Academy, Patriots Day and others, the Sergeants are there in a body. At the funeral of each Ancient who passes away during their year, the Sergeants also attend as part of the Honor Guard.

At the graduation ceremonies of the Mass. Military Academy, the Sergeants make a gift of a dress uniform to the "outstanding cadet."

All regular meetings of the Company will witness the Sergeants at their traditional places along the walls of the Armory, assisting wherever possible. Should either Lieutenant be unable to take this position in front of the Company, the First Sergeant assumes a place at the Captain's table.

The Sergeants have their own Quarters with lockers at the far right of the Armory and this area is "off limits" to all non-officer personnel except these twelve men.



It would be a conservative guess that the Sergeants during any typical year would meet independently at least twenty-five times for their deliberations.

This Yearbook you are reading is a major project of the Sergeants and entails many, many hours of work and planning.

As the Sergeants assemble around the "Drumhead" to count the ballots for the election of new Officers, there is naturally a healthy mixture of relief, nostalgia, and pride. And, of course, close comradeship with each other. Here are twelve men of diverse backgrounds, military service, occupations, and inclinations who, over twelve months, develop into a close-knit, cohesive unit, each man contributing as he can.

Most men wouldn't take the job again for a million dollars . . . or trade the experience for two million.

SHRUBS

A Natural Union of Form and Function from Mahoney's

Shrubs are such familiar sights in most homes and gardens that very often the unique features of shrubs often get overlooked. Yet shrubs serve so many valuable functions that it would be hard to imagine landscaping without them.

Shrubbery is most often used as a landscaping foundation, defining space and giving the area shape. It can be used to draw attention to an area or to hide an unsightly view. Shrubs can even control wind and noise coming into your garden.

At Mahoney's, we sell nearly a quarter million trees and shrubs every year. From vividly colorful flowering shrubs to subtle textural ones, we have so many different kinds of shrubs that you're sure to find just the right plant for your needs.

Special care is taken at Mahoney's to insure that you get the healthiest plants possible. In fact, Paul Mahoney still insists on selecting all our shrubs personally, as he's done for the past twenty-five years. He sees to it that we do everything possible to make the plants and shrubs you buy at Mahoney's the highest quality plants in New England. We fertilize them every day and carefully monitor their growth, making sure that they stay full and healthy.

We have so many different kinds of shrubs to choose from, it's a little overwhelming. But at Mahoney's, we've simplified plant buying with easy-to-read signs to help you locate your shrubs and informative care sheets that come with every plant. We even have convenient information booths with trained horticultural staff ready to answer any questions and offer expert advice on all phases of gardening.

So come to Mahoney's and find out about shrubbery, or any other aspect of landscaping or gardening. Whether you're a seasoned pro or a first time gardener, you'll find Mahoney's a great resource.
